

Buy 2 Antibodies, Get a Microsize Free*

Have you been looking to try a different clone or a new target?
Or do you need a little extra of an antibody you are already using?

Now until June 30th, when you purchase any 2 primary antibodies
(100 μ l or 300 μ l), we'll include a microsize (20 μ l) of your choice for free.*

Use promocode **2021BUY2GETT-RW** when placing your order.

Cell Signaling
TECHNOLOGY®

*Terms & Conditions: Offer applies to purchases of 2 primary antibody products or more, of which for 2 full size products purchased, 1 trial size product is free. Orders must reference promotion code 2021BUY2GETT-RW. Promotion expires on June 30, 2021. No cash or cash equivalent. No substitutions. Offer may not be applied to existing, pending or prior orders. All other products/services including but not limited to Sampler Kits, PTMScan® HS Kits, PTMScan® Services, and Custom orders are excluded. Cannot be combined with any other promotions or discounts. Items that are not eligible, tax and shipping and handling charges will not be included in determining merchandise subtotal. Void if copied or transferred and where prohibited by law. Institutional discounts may still be applied to other items that are not eligible for this offer. CST retains the right to stop the promotion at any given time without notice. Limited to 8 free trial size product(s) total per customer.
